## THE SECOND COMING OF YESHU

This is a "Time Travel" novel and movie script about the lives and life of Jesus, who he was and what his earthly mission has been and is all about. It is a revelation about what he was teaching; why it was contrary to Moses' teachings, and also about those who worked and now work with him in both the Inner World and our Outer world.

This screenplay treatment is based on the movie script by Joseph Costa and is an expanded version of his book "Yeshu Hannosri for God so Loved the World" which was recorded by the author in 1976 while astral traveling to other times and places. It tells the whole story - of the lost years and the lost message - of the life and mission of Yeshu, the man known as Jesus of Nazareth, and of the ascended NMAL masters on the other side who have the responsibility to guide evolution of human consciousness through the ages.
